HOW TO REGISTER

Register online at mn.wish.org. You may register as an individual, register a team or register to join a team! The first person to register a team will automatically be the team captain. The team captain will help keep the team updated on the most current event information as well as keeping everyone on track with the team fundraising goal.

PERSONALIZE YOUR TEAM PAGE

This is your chance to personalize your page to fit your team. You can share a story about why Make-A-Wish® is important to you or add your own photos, it's up to you!

INVITE FRIENDS TO JOIN

Whether it is your neighbor, co-worker or the guy you see at your favorite local hangout, let people know what you are up to! Share your team name and invite people to join in on the fun, it will help us all reach our fundraising goals!

SHARE YOUR FUNDRAISING PAGE

Why do you want people to see your page? Sharing your page will allow you to raise more money, increase participation and help share our mission across your network!

CHECK YOUR EMAIL

You won't want to miss anything so be sure to check your email for regular updates that will be sent to Team Captains and registered participants of the event. You never know if we will be introducing challenges, updating fundraising totals, sending logistics or just saying thanks.
